Adopt-A-Highway

Thank you to those who showed up to clean our stretch of County 22.

Spring Registration

The second half of spring registration payments are due. Please send these in as soon as possible.

Sterling, Illinois Meet

The team travel meet to Sterling is a go. Hotel and travel arrangements have been made for those who registered by the deadline. At this point team travel is full. Swimmers may still go; however, they will be responsible for their own transportation and room.

Mason City Meet

The Chamber of Commerce has set aside a group of rooms at the Holiday Inn in Mason City. These rooms are available to all teams attending. Given the few hotels in the area you should reserve a room now. The phone number for Holiday Inn is 641-423-1640.

State Long Course Championship

There is a block of rooms reserved for MCA families until July 17 at the Radisson, which is across the parking lot from the U of M pool. Get your reservations in as soon as possible. The phone number for the Radisson is 612-379-8436.

MCA Audit

Our books are currently being audited. The Board of Directors felt it was time to undergo this task.

Stationary Bike Donation

Billy is looking for a stationary bike or two to have at Silver Lake pool. If you have one hiding under some dust we'd be glad to take it off of your hands.

Summer Registration

There will be a few changes to the summer registration form. We have dropped choosing the actual days of the week your child swims (Mon-Fri) and replaced it with days per week as related to the group. Please note that MCA will no longer be accepting registrations with days/group combinations not offered on the form. If you have questions please contact Mike Schumacher or Lynn Caflisch.

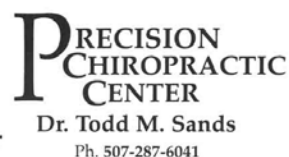

Congratulations to our College Swimmers

Chelsea Colborn earned her second varsity letter for swimming at SDSU. Their team has also achieved Academic All American for the second year in a row!

Congratulations to all of our college swimmers for a successful year. Med-City enjoys hearing how much fun you are having with college swimming and how well you are doing. Parents of college swimmers please send us updates, and we will include them in the monthly newsletter.

When a gifted team dedicates itself to unselfish trust and combines instinct with boldness and effort, it is ready to climb to the top.
